GENERAL INFORMATION

AGE CATEGORIES

Your age category is determined by your age on December 31, 2017. Men & women compete in separate categories in the following five-year age increments: 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, 80-84, 85-89, 90-94, 95-99, 100+. You must compete at the scheduled time with your age/sex category. In doubles competition, partners compete in the age category of the younger partner. In team sports, the age category is determined by the age of the youngest player.

DOUBLES EVENTS

The age of the younger player will determine the age group. A player may compete in only one age group; age groups are the same as in individual sports. If an individual's partner cannot come to State Finals, that person may select another partner who qualified in **that** sport at a Local Games in NC. A list of partners-seeking-partners will be posted on the NCSG website. The last day to change one's partner is the cancellation deadline. **No changes may be made at the event.**

CONFLICTS

Every effort will be made to reduce the number of conflicts for participants who qualify for more than one activity. When scheduling conflicts do arise, it is **your** choice to select which activity you will enter. Please do **not** sign up for activities that will have direct conflicts.

INCLEMENT WEATHER PLANS

Games Officials reserve the right to cancel or postpone events in case of inclement weather or unusual or extenuating circumstances. There will be no refunds for a cancelled or postponed event. Come prepared for all types of weather. Schedule changes *during* State Finals will be posted at www.NCSeniorGames.org & on a recording at (919) 851-5456. **It is your responsibility to check the website or listen to the recording to obtain information about schedule changes.**
